Inspiro

C52 mirage gloss 75 x 45 x 0,36 cm

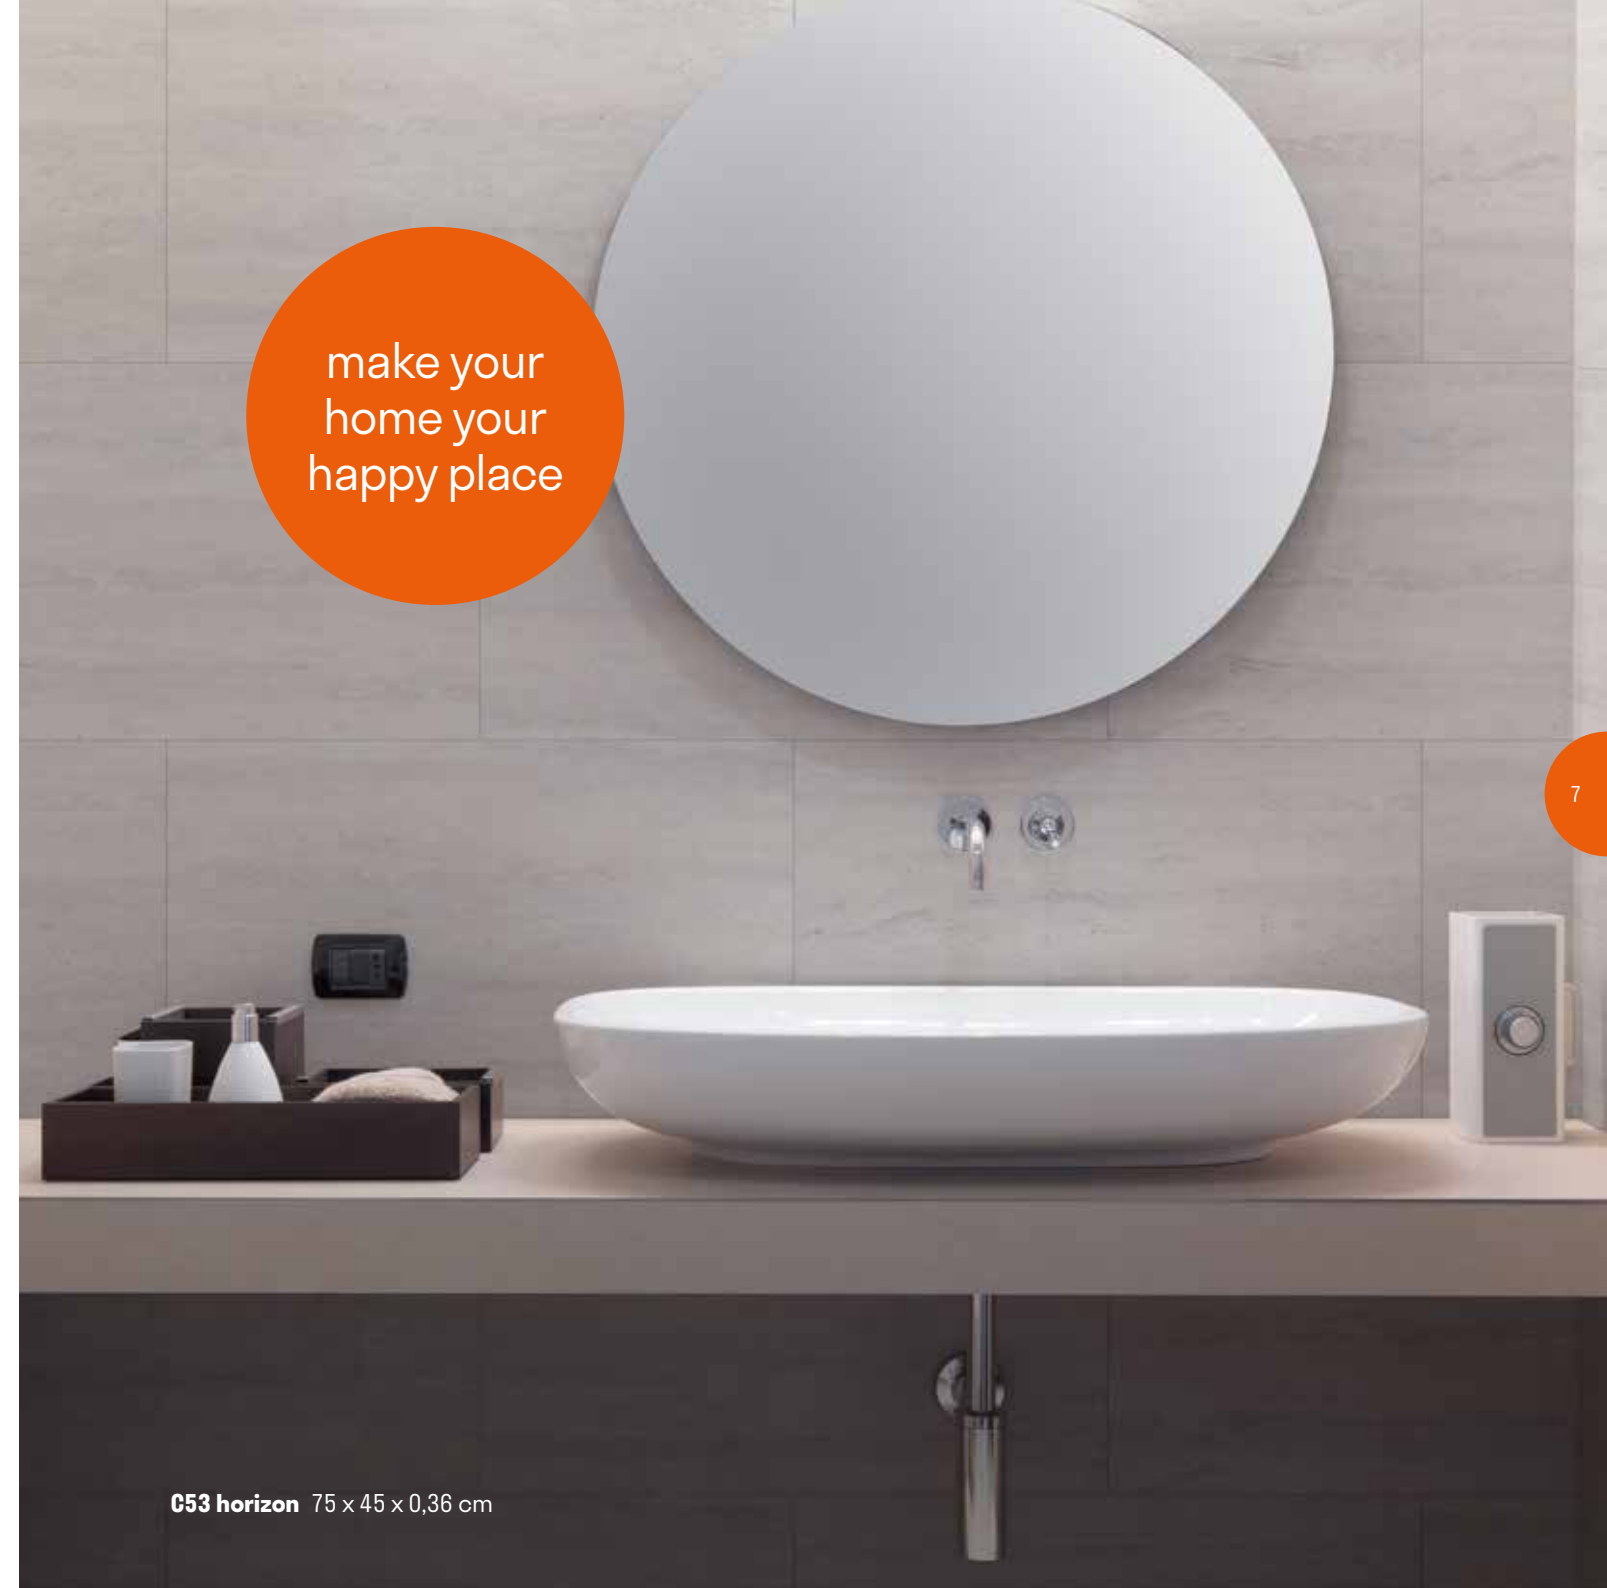

less house
more home.
hello inspiro.

spice up your walls

For large and small walls, for smart and elegant interiors or a more sturdy looking room, and for an original tweak or a subtle touch... Inspiro inspires you with elegant, waterproof and easy to install wall tiles. For every style.

make your
home your
happy place

C53 horizon 75 x 45 x 0,36 cm

B05 twilight 75 x 45 x 0,36 cm

fast + easy

Inspiro is a waterproof wall covering with a unique installation method that eliminates the need for time-consuming demolition work, as the panels can be glued, nailed, or stapled directly onto existing wall surfaces without drying time, grouting, or any mess from tile adhesive or grinders.

new build or

warm feel

Create a sense of calm and harmony in every room. Inspiro gives your wall a natural look. In addition, the panels feel pleasant and warmer than ceramic tiles. The subtle tile joint can be seen and felt. Or choose the Inspiro XL (90 x 260 cm) and give your project a sleek new look in no time.

waterproof

The wall covering from Inspiro is made of synthetic material.

The tiles and panels are 100% waterproof, making them perfect for humid or damp rooms such as bathrooms and kitchens. In addition, they are low-maintenance and easy to clean.

two sizes

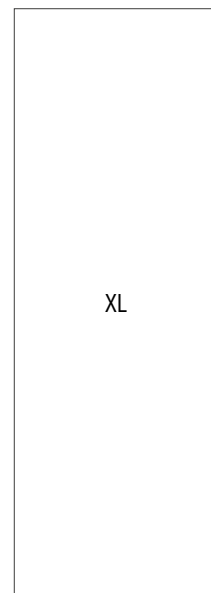

The Inspiro collection comes in two sizes: tiles of 75 x 45 cm and XL panels (90 x 260 cm). You can easily cut the tiles and panels to size using a regular saw or a utility knife. No hassle with grinders and no dust.

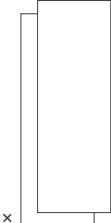

75 x 45 x 0,36 cm

1 pack = 7 x  = 2,36 m²

90 x 260 x 0,4 cm

1 pack = 2 x  = 4,68 m²

sustainability

Inspiro is manufactured using the revolutionary RCB® technology. Rigid Core Board is a unique and patented technology that ensures stability and waterproofing. The tiles and panels are made from solid, UV-resistant boards. This provides high impact resistance and color fastness. Moreover, nothing is wasted in the unique production process – the boards are fully recyclable.

installation and finishing

Inspiro is a waterproof wall covering with a unique installation method, suitable for both renovation and new construction. No mess or hassle with tile adhesive or grinders. Inspiro can be glued directly onto an existing tiled wall. Use a high-quality, fast-curing adhesive and easily finish corners and edges with our various aluminium finishing profiles.
